Dear Parents:

Hope Township School is conducting a Parent Survey to gain information about your experiences as the parent of a student(s) enrolled in our school. Your input is invaluable to make improvements within our school and to improve student learning. Additionally, we will be surveying students and staff for their opinions.

All responses are confidential, and no responses will be individually identified. A summary of the results will be used in the school's continuous improvement process. In addition, the survey results will be available on the school website. We are asking that you select answers based upon your own perceptions and experiences than **no later February 8th**.

You can **access the survey** by clicking on this link:

- <http://www.eSurveysPro.com/Survey.aspx?id=a39f216d-69d5-4e42-95e7-3b72dcfa8381>

The site is password protected. **The password was sent under separate letter to you.** You may only take the survey once **before February 8th**.

It will take about 10 minutes to complete the survey. We are hopeful that you will take the time to help us make changes in the way the school is run to improve teaching and learning.

Thank you for your help.

Sincerely,

Alfred Annunziata
Superintendent/Principal
