2020-2021 Hope Township School Educational Services Professional of the Year

Ms. Erin McCrea

Ms. McCrea has shown much professionalism, kindness and passion within her position. She is a great asset to Hope School working in our Multiple Disabilities classroom. Her background knowledge of special education and students with disabilities allows her to go above and beyond. She is always the first person to offer assistance in any way that she can.

Ms. McCrea constantly displays patience and kindness as she guides her students through their academics and social interactions. The students love working with her and get excited to tell her about what they are working on.

Erin always has a smile on her face and is a pleasure to be around as she is constantly devoted to her students. She always makes sure that all of her students that she assists are having fun while learning.

Congratulations to Ms. McCrea on this well-earned honor and recognition!
