“Be the Leader that You Would Want to Follow”

2019-2020 Hope Township School Governor’s Educator of the Year

Mrs. Rosa Perez

For 23 years, Mrs. Perez has encouraged Hope students to have a broader understanding of the world they live in. Through creative and engaging activities, the children of our rural community have learned about other cultures and the beauty of diversity. She teaches the Spanish language through the foundations of grammar, shares literature of varied backgrounds, teaches through song, tradition, art, and film. She celebrates unique heritages and hosts an end-of-year event in which the students research their family ancestry and find a recipe that is rooted in their origins.

Over the years, she has taken on the role of being the 8th grade advisor; she planned and hosted graduation ceremonies for thousands of Hope students. She has been an officer for the local union, participated in talent shows, and professional committees. She is collaborative and is always willing to pitch in and help her colleagues and students. She is well respected by the community.

Her commitment and dedication to the Hope School community has been unwavering and she is more than deserving to be recognized as the Governor’s Educator of the Year.
